

WE ARE BUILDING OUR COMMUNITIES

In 2014, on the back of the building blocks put in place and in further collaboration with capital market partners, we have started the next level of success in building new communities that support our vision to become “ASEAN’s Multinational Marketplace”.

Through BursaMKTPLC, Bursa Malaysia saw the coming together of the capital market participants to democratise market information for all, while reaching out to the new and younger retail investor segment.

Through the internationally benchmarked ESG index, Bursa Malaysia is now poised to reach out to new investors globally. Building outreach to these investing communities will enrich the diversity and vibrancy of our marketplace - and thus ensure long-term sustainability.

The cover of our 2014 Annual Report seeks to convey this message with the open hand representing Bursa Malaysia’s strong commitment to support the building of a sustainable and inclusive investing community of investors - where there is something for everyone. The gears symbolise our continued efforts to improve the capital market in a purposeful fashion for the betterment of the marketplace and of the nation.
